

## History of "ABRF" Meetings

### *Meetings Held in Conjunction with other Associations*

Year: 1986

Title: Satellite meeting held in conjunction with the Sixth International Conference on Methods in Protein Sequence Analysis Meeting

Dates: August 17 – 21, 1986

Venue: Seattle, WA

Organizers: Ron Niece

Year: 1987

Title: Satellite meeting held in conjunction with the Protein Society First Symposium

Dates: August 9 – 13, 1987

Venue: San Diego, CA

Organizers: Ron Niece

Year: 1988

Title: Satellite meeting held in conjunction with the Protein Society Second Symposium

Dates: August 13 -17, 1988

Venue: San Diego, CA

Organizers: Ron Niece

Year: 1989

Title: Satellite meeting held in conjunction with the Protein Society Third Symposium

Dates: July 29 – August 2, 1989

Venue: Seattle, WA

Organizers:

Year: 1990

Title: Satellite meeting held in conjunction with the Protein Society Fourth Symposium

Dates: August 11 -15, 1990

Venue: Baltimore, MD

Organizers

Year: 1991

Title: Satellite meeting held in conjunction with the Protein Society Fifth Symposium

Dates: June 22-26, 1991

Venue: Baltimore, MD

Organizers

Year: 1992

Title: Satellite meeting held in conjunction with the Protein Society Sixth Symposium

Dates: July 25 – 29, 1992

Venue: San Diego, CA

Year: 1993

Title: Satellite meeting held in conjunction with the Protein Society Seventh Symposium

Dates: July 24 -28, 1993

Venue: San Diego, CA

Organizers

Title: Satellite meeting held in conjunction with the Protein Society Seventh Symposium

Dates: July 24 -28, 1993

Venue: San Diego, CA

Organizers

Year: 1994

Title: Satellite meeting held in conjunction with the Protein Society Eighth Symposium

Dates: July 9 – 13, 1994

Venue: San Diego, CA

Organizers:

Year: 1995

Title: Satellite meeting held in conjunction with the Protein Society Ninth Symposium

Dates: July 8 – 12, 1995

Venue: Boston, Mass.

Organizers: Ron Niece

Year: 1996

Title: Satellite meeting held in conjunction with the Protein Society Tenth Symposium

Dates: August 3 – 7, 1996

Venue: San Jose, CA

Organizers: Ron Niece

### *Independent Meetings*

Year: 1996

Title: ABRF '96: Biomolecular Techniques

Dates: March 30 – April 2, 1996

Venue: Holiday Inn Golden Gateway, San Francisco, CA

Organizers: David Speicher and Steven Carr

Year: 1997

Title: Techniques at the Genome/Proteome Interface

Dates: February 9 – 12, 1997

Venue: Hyatt Regency Baltimore, MD (On the Inner Harbor)

Organizers: Jack Shively and Lloyd Smith

Year: 1998

Title: From Genomes to Function: Technical Challenges of the Post-Genome Era

Dates: March 21 – 24, 1998

Venue: Town & Country Hotel, San Diego, CA

Organizers: Alan J. Smith and Michael F. Rohde

Year: 1999

Title: Bioinformatics and Biomolecular Technologies: Linking Genomes, Proteomes and Biochemistry

Dates: March 19 – 21, 1999

Venue: Durham Civic Center, Durham, NC

Organizers: David Landsman and Mark O. Lively

Year: 2000

Title: From Singular to Global Analyses of Biological Systems

Dates: February 19 – 22, 2000

Venue: Meydenbauer Center, Bellevue, WA

Organizers: Ruedi Aebersold and Ulf Landegren

Year: 2001

Title: The New Biology: Technologies for Resolving Macromolecular Communications

Dates: February 24 – 27, 2001

Venue: Town & Country Hotel, San Diego, CA

Organizers: Paul Tempst and David Schwartz

Year: 2002

Title: Biomolecular Technologies: Tools for Discovery in Proteomics and Genomics

Dates: March 9 – 12, 2002

Venue: Renaissance Austin Hotel, Austin, TX

Organizers: Gregory A. Grant and Elizabeth Fowler

Year: 2003

Title: High Throughput Biology: Proteomics and Functional Genomics

Dates: March 1 – 4, 2003

Venue: Adam's Mark Denver, Denver, CO

Organizers: William Henzel and Scott D. Peterson

Year: 2004

Title: Integrating Technologies in Proteomics & Genomics

Dates: February 28 – March 2, 2004

Venue: Oregon Convention Center, Portland, OR

Organizers: Jack Shively and Stanley Nelson

Year: 2005

Title: Biomolecular Technologies: Discovery to Hypothesis

Dates: February 5 – 8, 2005

Venue: Savannah International Trade and Convention Center, Savannah, GA

Organizers: Ruth Angeletti, Andras Fisher and George Orr

Year: 2006

Title: Integrating Science, Tools and Technologies with Systems Biology

Dates: February 11 – 14, 2006

Venue: Long Beach Convention Center, Long Beach, CA

Organizers: Alan Smith and Philip Andrews

Year: 2007

Title: Creating the Biological Roadmap

Dates: March 31 – April 3, 2007

Venue: Tampa Convention Center, Tampa, FL

Organizers: Kathryn Lilley, Thomas Neubert and Andrew L Brooks

Year: 2008

Title: Enabling Technologies in the Life Sciences

Dates: February 9 – 12, 2008

Venue: Salt Lake, City

Organizers: Theodore W. Thannhauser, Jeffrey Kowalak, and Jocelyn Rose

Year: 2009

Title: Application and Optimization of Existing and Emerging Biotechnologies

Dates: February 7 -10, 2009

Venue: Memphis, TN

Organizers: George Grills and Chris Turck

Year: 2010

Title: Translating Basic Research with Advances in Biomolecular Technology

Dates: March 20 – 23, 2010

Venue: Sacramento, CA

Organizers: Jay W. Fox, Susan Hardin, Chris Turck

Year: 2011

Title: Technologies to Enable Personalized Medicine

Dates: February 24-26, 2011

Venue: San Antonio, Texas.

Organizers: Mark Lively, David Friedman, Preston Hensley and Katia Sol-Church,

Year: 2012

Title: Learning from BioMolecules: The Technology Behind the Story

Dates: March 17-20, 2012

Venue: Orlando, Florida.

Organizers: Laurey Steinke, Kathryn Lilley, Richard Willson and David B. Friedman
