This is a preview of how this survey will look. In the preview the survey navigation buttons are inactive, use the section number buttons to view different sections. Some navigation buttons may not appear on your final survey, depending on what access it is assigned. The survey will use the background color of the document in which it is embedded. If you have no further changes click **Finish** at the bottom of this page.

Nucleic Acids Research Group Taqman Assay Design Study

Association of Biological Resource Facilities (ABRF)

Welcome to the ABRF Nucleic Acids Research Group Taqman Assay Design Study which was open from Nov 1, 2003 to Dec. 15th, 2003. This study is now closed. Preliminary results will be presented at the ABRF 2004 annual meeting in Portland, OR, Feb 28-Mar 2, 2004 and at the 1st International qPCR symposium 3rd - 6th March, 2004 in Freising-Weihenstephan, Germany. A complete analysis will be published as soon as possible.

Questions marked with a * are required.

Please submit your entry for the Taqman Assay Design Study by answering the questions below:
Contact Scottie Adams (sadams@northnet.org) with questions.

- *1. Please enter a unique 4 digit identifier that you will remember. For example, the last 4 digits of your social security number or your telephone number.

***2. Please enter the sequence of the forward primer**

***3. Please enter the sequence of the reverse primer.**

***4. Please enter the sequence of the probe.**

***5. How would you rate yourself in terms of designing assays for real-time PCR?**

Expert (100+ assays made)
Experienced (11-99 assays made)
Novice (1-10 assays)

***6. What software did you use to design your assay?**

7. Do you have any suggestions for future studies? Please list.

8. Comments:

9. Please enter your email if you would like to be contacted if there is a problem with your entry. Your name will

remain anonymous.

Thank you for participating in this study!

Please press the submit button one time to submit your entry.

The survey title and other general fields are on the **General** tab. Individual survey questions are added and modified on the **Questions** tab. Questions may be re-ordered or deleted from the **Order** tab. You may see a preview of your survey at any time, by going to the **Preview** tab. If you have no further changes click **Finish** to go back to the Management Interface.
